

ESSENTIAL SERVICE TOOL PROGRAM GLOBAL DISTRIBUTOR AND DEALER ORDER FORM

Classification:

☐ Distributor
 ☐ Direct Dealer
 ☐ Service Dealer

OEM Affiliation: _____

10 Digit Code (if available): _____

All new distributors, direct dealers, and service dealers are responsible for acquiring the essential special service tools required for servicing the products they have elected to support.

Please select one of the following:

- ☐ I will purchase essential service tools.
If selected, a quote for the necessary tools will be sent to the email address you provide below
- ☐ My distributor will purchase essential service tools on my behalf
If selected, no quote for tools will be provided
- ☐ I will not purchase essential service tools.
If selected, please provide reason: _____

Choose the service level for each transmission series: Select "M" for Maintenance or "O" for Overhaul

(M/O)	Transmission Series	Essential Maintenance Kits	Essential Overhaul Kits
	1000 Series™ & 2000 Series™	ATT-50830-A, ATT-50831-A	ATT-51911

Pursuant to the terms and conditions of the Allison Transmission Distributor and Dealer Agreements, authorized Dealers and Distributors are required to purchase and maintain special service tools and equipment designated by Allison as "Essential."

New service tools designated "Essential" by Allison will be shipped automatically upon introduction and charged to the Distributor or Dealer account upon shipment.

Buyer hereby authorizes Snap-on to invoice buyer for tool orders and automatic shipments, including tools, shipping, handling and sales tax. Freight and import duties (if applicable) will be estimated and added to the invoiced amount. Snap-On will not be responsible for any shipment delays resulting from buyer's failure to maintain its account in good standing.

All purchases of Special Service Tools are subject to Buyer's Terms and Conditions of Sale:

<https://allisontools.snapon.com/Home/Terms#terms>

This agreement shall remain in effect until the earlier of: (a) termination by either party by providing at least ninety (90) days' written notice to the other party of its intent to terminate, or (b) termination of buyer's Allison Transmission Distributor or Dealer Agreement. If you do not terminate this agreement, the Essential Shipments will continue to be shipped and the payment method charged.

The signature below indicates that you ("buyer") have read and accepted all the terms and conditions of this agreement, including the Terms of Sale.
